6th Symposium on Aviation Research University of Bari, March 20 & 21, 2025 Call for Papers

We are pleased to invite you to participate in the 6th SoAR Symposium, scheduled to take place on March 20th and 21st, 2025, in the beautiful city of Bari, Italy. This prestigious event will be hosted at the University of Bari, thanks to Prof. Angela Stefania Bergantino. The SoAR scientific committee is eager to receive high-quality contributions from scholars from the fields of Operations Research and Economics. We are particularly interested in submissions that explore a diverse range of topics within the aviation sector, including but not limited to, airline operations, airport management, aviation policy and sustainability in aviation. This symposium represents a unique opportunity to engage with leading experts, share innovative research and foster collaboration within the academic community.

The symposia will consist of:

1. Invited talks by two distinguished keynote speakers.
2. Extended presentations and discussions of consolidated research.
3. Early-stage presentations of research intentions, particularly those developed in the framework of doctoral and postdoctoral projects.

The 6th SoAR Symposium will take place **in person**. Many papers presented in this forum have been published in highly ranked journals subsequently. Researchers wishing to present and discuss their research should send an abstract to the email address symposium.soar@gmail.com **before the 15th of December 2024**, as follows:

- **Full papers** (45 minute presentation and discussion) require an extended abstract of maximum 1,000 words. Accepted papers should be made available one month before the symposium.
- **Early-stage presentations** (15 minute presentation and discussion) require a short abstract of 200 words.

Keynote Speakers:

- Prof. [Andreas Schafer](#), University College London
- Prof. [Myongjin Kim](#), University of Oklahoma

Decisions regarding paper acceptance will be made by 1st January 2025. Attendance at the SOAR Symposia is **free of charge**. **Detailed and updated information** about the 6th SOAR Symposium program and registration will be made available on SOAR's website shortly.

Submission guidelines:

- One presenter rule: each person can only present one paper
- Each author/co-author can submit more than one paper

Looking forward to meeting you in person, Angela Stefania Bergantino (local organizer), Nicole Adler, Antonio Antunes, Christian Bontemps and Gianmaria Martini.
